## CAREER ABSTRACT:

- ☺ 6 year of teaching experience with M.Tech in Computer Science
- ☺ Practical exposure to Network Security, Routing Protocols, LAN & WAN Protocols.
- ☺ Comprehensive knowledge of Algorithms and Data structures

## ACADEMICS:

- 2015 M.Tech. (Computer Science)from Berhampur University (Odisha)
- 2010 B.Tech. (CSE)from Biju Pattnaik University of Technology (Odisha)
- 2005 Intermidiate (Science) from CHSE (Council of Higher Secondary Education) (Odisha)
- 2003 SSC from Saraswati Vidya Mandir (NILAKANTHA NAGAR),(Odisha)

## SKILL SET:

- ☺ Real time experience of Network devices such as firewalls,routers
- ☺ Excellent in providing the real time knowledge about technology
- ☺ Proficient in giving practical knowledge

## M.Tech Thesis:

**Title: "A Study on Intrusion Detection & Prevention in Mobile Ad Hoc Network"**

**Description:**I have described the fundamental problems of ad hoc network by giving its related research background including the concept, features, status and vulnerabilities of MANET. My work presents an overview and the study of the routing protocols. Also include several challenging issues, emerging application and future trends of MANET. I have discussed various methods to detect and prevent the intrusions in MANET using IDS (Intrusion Detection System) and IPS (Intrusion Prevention System).

## ORGANIZATION SCAN:

Currently working as a guest faculty in khallikote Unitary University(Ernestwhile Khallikote Autonomous College) , MCA department since August 2017.

## JOB ROLE:

- ☺ Teaching subjects Computer Networks,compiler design, data mining & data warehousing.
- ☺ Testing and debugging Computer related issues.
