

ABOUT THE KHALLIKOTE UNITARY UNIVERSITY

The Khallikote Unitary University has started functioning from 1st August 2021, vide Govt. letter no. 31432/HE, dtd. 06.08.2021. This more than a century old institution was started as a school in 1856 in Berhampur and became an intermediate College in 1878. Its earlier name was Native College. The name Khallikote Autonomous College was conferred on it in 1893 in token of the good gesture shown by late Raja Saheb Harihar Mardaraj Deo of Khallikote who donated 16.5 Acres of land. Degree classes in Arts and Science were begun in 1944. Commerce and Mathematics were started from 1963 and other subjects in subsequent years under affiliation to Berhampur University. Again it stands as a lead college affiliated under Khallikote University since from 2015 and in 2021 this institution has been rejuvenated and started a new journey with hope, to inculcate innovation, creativity and success. Khallikote Unitary University has been an important centre of learning in South Odisha and one among the two premier educational institutions in the state.

ABOUT THE DEPARTMENT OF BIOTECHNOLOGY

The Department of Biotechnology was introduced as a special paper at the M.Sc level in the year 2000. Subsequently a proposal was sent for opening 'Biotechnology' courses in the institution. As sequel to such attempts the Government of Orissa granted permission to open self-financing courses like Postgraduate Diploma in Biotechnology and Master's Degree in Biotechnology in 2001 and 2002 respectively. The department of Biotechnology is created as a regular department from the academic session 2024-2025 with approval of Higher education department.

ABOUT THE CONFERENCE

NCBBB-2025 is envisaged to provide a platform for academicians, scientists, researchers, and students to interact through deliberations on various recent developments in the field of Biotechnology, Bioinformatics and Biomedical Science for human welfare and sustainable development.
