## ABOUT THE UNIVERSITY

Khallikote Unitary University (KUU) officially commenced its operation on August 1, 2021, following Government notification no. 31432/HE, dated August 6, 2021. This historic institution, with a legacy of over a century, began as a modest school in Berhampur, Ganjam in 1856 and evolved into an intermediate college in 1878 under the name Native College. In 1893, it was renamed as Khallikote College, in recognition of the generous contribution by the Raja of Khallikote, who donated 16.5 acres of land for its expansion. Over the years, the college steadily grew up in stature. Degree classes in Arts, Commerce and Science were introduced in 1944. This Institution achieved its Autonomous status in the year 1990. This institution has a rare distinction achievement of being the foremost college of the state for getting NAAC accreditation with "A" Grade. In 2015, it became a lead institution under the name Khallikote Cluster University. Its transformation into Khallikote Unitary University in 2021 marked a significant milestone, rejuvenating the institution with a mission to foster teaching excellence along with innovation, creativity, and academic success. KUU now aspires to continue its legacy by embracing modern education while maintaining its historic roots.

## ABOUT THE UNIVERSITY

The P.G. Department of Education was started in the Khallikote Autonomous College in the year 1981 with Under Graduate course only then after Post Graduate course with 16 seats was started in the year 2009. Teaching and research are two formidable pillars of pedagogical practice adopted by the Post Graduate Department of Education since its inception. Post Graduate Education Department, which catered to the need of higher education in Education not only in south Odisha but also in the other region. The Department has the legitimate claim and pride of being the premier department in Odisha for course curriculum development, teaching and researches in Education discipline. The rapid Growth of the Department of Education is reflected in its Expansion as well as novelty in its academic programmers. Over the years graduate and post graduate Education students obtaining degrees from the Department are well placed in Govt. and other jobs. The teachers, students and scholars are striving hard to make the Department as Center of Excellence in the fields of teaching and research.

## ABOUT THE SEMINAR

Education is an instrument for achieving full human potential and developing an equitable and just society for promoting national development. The National Education Policy (NEP)-2020 envisions to bring significant reforms in all sectors of education, to cater to the changing landscape of knowledge and create global standards of education. The policy also aimed at to create a vibrant knowledge society by making education more comprehensive, flexible, skill based, multidisciplinary and holistic to shape up future ready professionals who are socially responsible and have high moral values. Since, 2020 more than four years already been passed and now, it is the time to reflect the implementation aspects of this policy. So, the present seminar aims at providing a common platform to the stakeholders of education i.e. policy makers, educational administrators, faculty members, researchers & students to deliberate and discuss the opportunities of NEP 2020 and the practical challenges that may be encountered during the implementation of this policy in Higher Education
